

Alexandra Primary School

Our purpose is to build a learning community that challenges and supports young minds to develop as independent and lifelong learners, continually striving for excellence.

RESPECT

CARE

INTEGRITY

ACHIEVE

It is with great excitement that I write to let you know that the Education Department have informed us of an early return to face to face learning in Term 4!

We can now officially welcome ALL students back into our classrooms on October 5th, 2020.

We are so excited about this!

We still have our 'kiss and drop zone' in place and parents and care givers are asked to maintain social distancing at the crossing and the school gate.

Our drink taps will remain off, please remember to send a drink bottle to school every day.

Take care, have a great break and I will wave from the gate on October 5th!

Vicky and the team.

School Council Newsletter update - September

Another productive school council meeting was held this week. The SunSmart Policy has been reviewed and adopted just in time for the warmer weather.

Finances remain on track with the new lease for chrome books being endorsed.

The weeds are popping up and the School welcomes anyone that would like to pull out a few weeds on a weekend or after school hours while the kids play basketball, or have a run around! Just make sure you socially distance!

Finally, on behalf of everyone on School Council, thank you to the entire school community for your efforts during this extremely challenging term.

Beth Lloyd

Reminders:

- ASC Curriculum Day Friday 13th November– There will be no buses this day.
- HATS! Please remember that School Hats need to be worn from the first day back of Term 4.
- Water bottles– Students require a water bottle for school.

**Our Foundation
MAPPEN unit called
'The Bridge and
Beyond' was full of
discovery and making
things from different
materials.**

**The students made a
goat, a boat, a river
then finally a bridge for
our goat to cross the
bridge!**
