When will I see you again?

At this point in time, it looks as though we may not get back to 'normal' school this term. Of course things can change pretty quickly in this environment. We will keep you posted.

My Favourite Things...

I love sneaking in when the classes are on their Google Meets! This week I have seen horses, goats, dogs, cats, beautiful hats, wigs, heard songs, seen dances and heard lots of raucous laughter!

We are beginning to have 'Google play dates' as well as work groups and small group check ins. If you think your child would benefit from a small group with you and a few friends, please let your teacher know.

Please, please tell me now!

The next learning pack has a feedback form in it. Please take some time to go through this with your child. We don't know what you need unless you let us know.

Remember, if you need more or less in your pack let us know.

Snuggle up, find a nook, read a book!

I love to read. At the moment I am reading *Almost A Mirror* by Australian author Kirsten Krauth. I hope you have had the chance to watch some of our readers this week. They remain on Google Classrooms if you have not caught up yet. There are also some readers on our Facebook page if that is easier.

Take care, keep in touch.

Vicky and the team.
