Learning never ends!

Our Curriculum Day last week was well spent. The day began with our team learning about children's behaviour. The biggest take away was "all behaviour is communication". This made us consider how we respond to behaviours and how we can support students in communicating in a more effective and socially acceptable way.

The second part of the day was spent learning about wellbeing. We focussed on supporting healthy minds in both ourselves and our students. Next year we will have a strong focus on mental wellness. Look out for more information on this as we travel along!

World Teachers' Day

I would like to extend my appreciation to the teachers in our fantastic team. Their dedication and love of their jobs makes our school a great place to learn and work.

We are fortunate to live in an area where education is highly valued, schools are well supported and teachers are so highly skilled.

To all the teachers out there...THANK YOU!

Grade 6 Entrepreneurs

Our Grade 6 students are selling Zooper Doopers, masks and scrunchies each Wednesday, with the aim of reducing the cost of the Grade 6 camp.

Free Dress Day

On Friday there will be a free dress and crazy hair day. This is also a Grade 6 initiative. Please do not dress in Halloween costume – it is quite scary for some of our younger students. Sun Smart tops are a must with no uncovered shoulders (boys and girls) and no thongs.

Take care,

Vicky and the APS team

A BIG
thank
you
